85 South Announce New 2023 Dates

(Oakland, CA- December 13, 2022) – 85 South has announced new tour dates on their national tour running through December of 2023.

The 85 South Show, produced by 85 South Media, unites three of America's funniest, talented, and most fearless comedians. With over two million subscribers on YouTube, over half a billion independent views, and 150,000+ live show tickets sold, the 85 South Show has completely changed the comedy industry. DC Young Fly, Karlous Miller and Chico Bean first teamed up in Steve Harvey's studio to begin recording a podcast that showcased their improv, freestyling and roasting skills. Comedy fans were quick to discover the chemistry between the three performers, and now they are continuing their "85 South Show Live," across the country.
