RESOLUTION NO. 2021-___

RESOLUTION ADOPTING FINDINGS REGARDING SOCIAL DISTANCING AND PUBLIC HEALTH ARISING FROM THE COVID-19 PANDEMIC WHICH WARRANT THE CONTINUATION OF REMOTE (TELECONFERENCED) PUBLIC MEETINGS BY THE AUTHORITY UNDER THE BROWN ACT

WHEREAS, the Amended and Restated Joint Exercise of Powers Agreement (“JPA Agreement”) between the City of Oakland (“City”) and the County of Alameda (“County”) established the Oakland-Alameda County Coliseum Authority (“Authority”) whose powers are exercised by a Board of Commissioners (“Board”) appointed by the City and the County; and

WHEREAS, the Governor declared a state of emergency due to COVID-19 on March 4, 2020, which state of emergency is continuing; and

WHEREAS, due to the COVID-19 Delta variant (SARS-CoV-2 B.1.617.2), which has been circulating in Alameda County since April 2021, many pandemic restrictions, including on-going recommendations for social distancing as one method to reduce the risk of COVID-19 transmission, remain in place; and

WHEREAS, public meetings involve many people in shared indoor spaces for extended periods of time, when the number of people present does not always allow for a minimum of six foot distance between each persons, where close contact raises the risk of spread of COVID-19, where there is a need to allow those who are immunocompromised or unvaccinated to be able to safely fully participate in public meetings, and where there remains a challenge of fully ascertaining and ensuring compliance with vaccination and other safety recommendations at such meetings; and

WHEREAS, remote or teleconference meetings are consistent with the California Division of Occupational Safety and Health (Cal/OHSA) Emergency Temporary Standards requirement that employers train and instruct employees that the use of social distancing helps combat the spread of COVID-19 (8 Cal. Code Regs. 3205(c)(5)(D));

WHEREAS, on September 16, 2021 the Governor signed into law Assembly Bill 361 (AB 361, Chapter 165, Statutes of 2021) which amended the Brown Act to allow for continued use of teleconferenced meetings by Brown Act bodies without providing a physical location for the public through January 31, 2024, under certain conditions; and

WHEREAS, the permitting conditions in AB 361 include factors such as a continued declaration of emergency, and findings by the local legislative body every 30 days that meeting in person would present imminent risks to the health or safety of attendees or that state or local officials have imposed or recommended measures to promote social distancing;

NOW, THEREFORE, BE IT RESOLVED that the Board of Commissioners does hereby resolve, declare and determine as follows:

A. That the Authority finds that the public health, safety and welfare support continual social distancing as a result of the transmissibility of the COVID-19 virus, such that in-person meetings create a health risk.

B. That the Authority will continue to meet virtually to allow its members and members of the public to avoid exposure to COVID-19 and maintain social distancing.

C. While meeting virtually the Authority will adhere to the applicable open meeting requirements, including those in AB 361.

PASSED AND ADOPTED by the governing board of the Oakland-Alameda County Coliseum Authority, this 15th day of October, 2021, by the following majority vote:

1. Refunding Lease Revenue Bonds Series A

As reported at last month's meeting, we are proceeding to refund the outstanding Lease Revenue Bonds Series A 2012. These bonds were originally issued to finance the renovation of the Stadium and there is currently an outstanding debt of approximately \$38,000,000. The bonds are set to mature on February 1, 2025.

The proposed structure does not extend the maturity, there is no increased costs to the City or the County, there are no new or additional obligations of the City or the County, and the refinancing is estimated to result in net savings of approximately \$2,500,000. This is the approximate amount of savings after the costs of issuance.

The structure we are pursuing contemplates a taxable private placement with a bank. This financing arrangement is the most efficient and advantageous given the short duration of the maturity, eliminating the need for a bond rating, and no additional reporting requirements from the City and County.

No action is required at this meeting. Staff and consultants are working with the bank to prepare the necessary documents to execute the transaction and the matter will be on the November agenda for formal action. We are projecting a closing in December.
