EMT
EMERGENCY MEDICAL SERVICES

What are two ways you can protect yourself from extreme heat?

True or False: Six inches of fast-moving floodwater can knock you off your feet.

What are three things you should do when an earthquake starts?

Pick any prize!

True or False: Your home is the only location where you need a go-bag.

What radio station provides emergency information during a disaster?

True or False: 12 inches of deep water might be enough to sweep you away.

True or False: It is safe to use a car's air bags if you are wearing your seat belt.

True or False: Emergency supplies should be stored in your car.

True or False: 80-kilohertz (kHz) radio waves are used for emergency communications.

True or False: You can sign up for an alert system.

True or False: Why is a whistle important to have in an emergency?

True or False: 80-kilohertz (kHz) radio waves are used for emergency communications.

True or False: You can sign up for an alert system.

True or False: Why is a whistle important to have in an emergency?
